

# ACROSS SCOTLAND, MANY YOUNG PEOPLE ARE GROWING UP IN COMMUNITIES IMPACTED BY POVERTY

**Equipped to Transform 2012 aims to equip and inspire individuals and churches to build inclusive communities that welcome and value disadvantaged children and young people.**

This conference is for those who have a heart for, or are already working among, young people in deprived areas of Scotland. It is also for those who want to encourage their own young people to gain a better understanding of how the gospel is good news to the poor.
