

COMMISSION LEADERSHIP TRAINING

COMMISSION is our short-term mission programme designed to help develop skills and confidence of anyone in S5, S6 or student age as a volunteer in Christian children's and youth work, whether with SU or within their own church. It includes training at Basecamp and LeadUP, placement at SU Scotland events and a review weekend at the end of the summer. More details from www.suscotland.org.uk/volunteersandtraining/commission

East Lothian 2010-11

Scripture Union Scotland aims to help Scotland's children and young people to explore the Bible and respond to the significance of Jesus. This leaflet outlines some of the events that are running as part of this vision and to link young people across East Lothian and support the work already happening in churches and schools with a variety of ages. If you would like further information, please do get in touch. My contact details are on the back of this leaflet. Many thanks,

SU HOLIDAYS

SU Scotland run a number of holidays during the Easter and Summer holidays for Primary 5-S6. There are some specialist holidays such as creative arts, music and mountain biking, but most are multi-activity holidays allowing the campers to try a number of outdoor and indoor activities such as crafts, archery, watersports, biking, etc. All holidays have Christian teaching and worship central to the programme, and are attended by a mixture of Christian and non-Christian children and young people. Further details and bookings can be made at www.suholidays.org.uk. A presentation can be delivered at groups or churches on request.

SU GROUPS IN SCHOOL

SU Groups are an extra-curricular activity which enable children to come and explore the Christian faith in a fun and relevant way. They may run at lunchtime, after school or in the evening. SU groups take many forms and styles but have Bible engagement and prayer central to the meetings.

Groups currently run in the following schools:

Campie Primary	Wallyford Primary
Cockenzie Primary	Windygoul Primary
Dunbar Primary	Knox Academy
East Linton Primary	Musselburgh Grammar
Law Primary	North Berwick High
Macmerry Primary	Preston Lodge High

HOLIDAY CLUBS/ ONE DAY ACTIVITY DAYS

Holiday clubs are a great way to outreach to children in the local area. They can be week long clubs, or one day clubs—and take on many different forms to suit the local area. Games, crafts, Bible teaching, music—a fun and relevant way to share God's love with the children. Maybe SU Scotland can help your church with training, leadership, resources or starting a holiday club with a number of local churches. We are happy to come and discuss how we can help.

SUNDAY SCHOOL TRAINING

Last year, we ran training for Sunday Schools on two different topics—using the Bible with primary age children and helping children to worship.

Based on feedback from this, it is hoped to run another training on a different topic this year. As yet, dates haven't been set, but if you would like further information or to be put on the mailing list to receive future training information, please do get in touch.
