

## The Need

The Independent Schools work, like all other work in the Regional Ministries Department and across SU Scotland, is supported by donation income.

In this financial year we will have a shortfall of £35,000. The General Fund of SU Scotland cannot underwrite the shortfalls of each area of Regional Ministry and we are working towards regions becoming self-financing.

To increase the regular IS giving by £10,000 this year would be a major step in the right direction and could be achieved in a number of ways. For example:

**64 people taking out a new standing order of £10 per month**
