

Let's Get Going!

Missions Training Day

Saturday 28th May 2011
9.45am-4.30pm

Davidson's Mains Parish Church
1 Quality Street
Edinburgh EH4 5BB

'Let's Get Going' is a training day which should help people who are joining their first Mission team and those who have been part of teams many times already. We are particularly keen for you to come as a team from your Mission and return with new ideas, best practice from around the country and having had opportunity to network and share their experience with others. Our focus this year, 'Let's Get Going', will spur us on to think in fresh ways about reaching out to children and young people and encourage you to think about more than just your week of Mission.

We are delighted that Vicki Shaver is our main speaker. Vicki is the BA Theology Leader & Lecturer in Children's Ministry at International Christian College, Glasgow. Before this Vicki worked for 16 years with SU Scotland as Training and Resources Director. In that role she trained countless children's workers and developed Urban Priority ministries. She is an advocate of children with VIVA Network and various denominational groups. Vicki is involved in the development of training and academic research in the area of holistic child development and of children in crisis. She also set up the annual Children At Risk course.
