

## SU Activities in the next 5 years – by age group

### ▪ Primary & Secondary age range

Continue to grow the number of Educational Activity Breaks

Grow the numbers attending SU Holidays and the range of Holidays

Explore & trial new ways of training in sharing faith, living as a Christian in school and putting faith into practice

Strengthening the involvement of children & young people in planning and leadership of SU events

Exploring new ways of stimulating international vision and commitment to SU International

### ▪ Primary age range

Grow the number of SU groups in schools, particularly grasping the opportunities in Primary schools

Grow the opportunities to tell Bible stories in schools (particularly around Christmas and Easter)

Grow the number of range of types of Mission (including gaining a greater family focus)

### ▪ Secondary age range

Place a new emphasis on discipling relationships, including peer mentoring

Grow the number of SU groups in schools; placing a new emphasis on outreach through the groups (especially equipping leaders to have an outward focus)

Grow the number of Bible study groups for senior pupils

Grow the number of prayer events and prayer groups for young people across Scotland

Grow the numbers of young people involved in SU *ignite*

### ▪ Over 18's (staff and volunteers)

Growing the prayer network to cover every school in Scotland

Growing the numbers of volunteers, staff and Associate workers, Local Areas workers and Action Groups

Growing the numbers involved on the Gap Year Programme

Providing more and improved Bible engagement training, and supporting materials

Equipping staff and volunteers to understand and take account of the family context
