

### Back to School with God School Scenarios

Print onto card, cut up and hide around the room for children to find.

Once found, use as a basis for discussing what might make children nervous. Turn them into a prayer by saying together "Please help me be strong and brave" after each one is read out.

When I have to leave my  
mum...

When I forget my  
lunchbox...

When the class is noisy...

When I have to read out  
loud...

When I have to mix and  
make friends...

When I sleep in and am  
late for school...

When I find the work too hard...

When I forget to do my homework...

When I fall out with a friend...

When I get a new teacher or class...

When I move to a new school...

When I don't understand the teacher...
