

## **Jesus**

1. Who touched my robe?
2. Your faith has made you well. Go in peace.
3. Don't be afraid. Have faith.
4. Little girl, get up.

## **Jairus**

My daughter is ill. She's only 12 years old and she's dying. Please will you come and heal her so she can live.

## **Woman**

I touched you. I wanted you to heal me.

## **Servant**

I'm sorry but your daughter has died. There's no need to bother Jesus any more.
