

Angel

Cornelius, God has heard your prayers and seen all your gifts to the poor. Send some men to Joppa to find a man called Peter. He is staying with a man called Simon who lives by the sea.

Peter

1. No, Lord. I have never eaten anything that our Jewish laws say is unclean.
2. I am the one you are looking for. Why have you come?
3. Stand up! I'm just a human being like you.
