

A conference of growth, discovery & equipping.

Grow

The writer to the Hebrews wants their readers to move beyond a basic understanding of Jesus and grow in maturity (6:1).

A selection of workshops will explore ways to grow as a Christian and look at issues facing us today.

Discover

Jesus is More! We'll be exploring the book of Hebrews to discover just how amazing Jesus is. He has been in your shoes, he knows how you feel and he calls you to focus on him. Look more closely at Jesus and you'll realise that whatever problems you face, however tempted you might be to turn back and whatever the world might offer, Jesus is more.

Equip

The writer to the Hebrews was keen that the church would be equipped to live out their faith in Jesus (13:20-21).

Equipping sessions will consider ways in which God may want to equip you to serve at home, school and among your friends.

Gordon Roy will be guiding us through these sessions on Hebrews. Gordon works for SU Scotland as Regional Worker for Stirling, and Clackmannanshire and leads the North Team. If you're wondering if you've met him before, it could have been at Equip North, Christmas Houseparty, Basecamp Kingscross, Creative Arts or Watersports holidays; the list goes on (and on)... If you fancy a conversation starter when you meet him, try asking about his dogs or fire eating!
